## WRITTEN COMMENTS

12. What do you see as the best feature of the study program you completed?

The programme is unique in Kosovo. It is not copy from any other programme. Students that enroll into the programme are very much mature and knowledge oriented.

13. What do you see as a drawback in the study program in which you are teaching?

It requires to have some more hands on into the field of the study.

14. What would you improve in the overall quality of the program?

~~This~~ This is a multidiscipline program and would be good to have people from the relevant industries to teach courses and be more practical.
