

College ESLG

Internship report of students of Management of Real Estate and Infrastructure (MA)

College ESLG conducted a program evaluation of internship placements of students by type of company and for the sake of transparency also list all the names of students, companies, and dates of internship.

The internship is not mandatory at master level but it is recommended for regular students, who come straight out of bachelor studies.

Number and types of companies where practical placements of students of the bachelor program took place is presented in Table below:

Table 1: Breakdown of companies where students completed their internship by number

Construction companies	Infrastructure companies	Municipalities and public institutions	Banks	Real Estate agencies and valuation companies	Geodesy Offices	FM Companies	Other
3	1	2	3	5	2	2	3

Breakdown of companies by percentage, where students of MA program completed their recommended practice is presented in Table 2 below:

Table 1: Breakdown of companies where students completed their internship by number

College ESLG

Constructi on companies	Infrastructure companies	Municipa lities and public institutio ns	Banks	Real Estate agencies and valuatio n compani es	Geodesy Offices	FM Compani es	Other
14.29%	4.76%	9.52%	14.29 %	23.81%	9.52%	9.52%	14.29%
