Ref: Letter of recommendation for cooperation between College ESLG and Kosovo Realty Group

With this letter of recommendation I hereby would like to certify about the great level of cooperation between College ESLG and Kosovo Realty Group, which is one of the leading firms in Kosovo in the field of real estate appraisal, collateral valuation, and real estate intermediation. KRG is represented in the Industrial Council of Department of Real Estate of College ESLG and has contributed on numerous occasions to the quality review of study programs of College ESLG in terms of practical implementation, contribution of programs to private sector, and has provided numerous advises on teaching activities and design of learning outcomes that would be effective to develop competencies and skills amongst students that the real estate and construction industry needs.

In the capacity of industry representative in Department's Industry Council I have served also in the Curriculum Review Teams for both study programs of real estate management (BA) and (MA) level.

Cooperation with College ESLG is extended also to the fact that most of employees of KRG are ESLG's graduates, including the managing partner.

With College ESLG and its students we have performed a very comprehensive Kosovo Real Estate Market Study for one of the leading banks in Kosovo ProCredit Bank.

Sincerely,

Gent Sejdiu

CEO, Kosovo Realty Group
