Transcript of Master Program Industrial Board

Present: Gent Sejdiu (CEO of KRG), Bajram Hoxha (CEO of Hoxha Invest Group)

The Master Program Industrial Board held a meeting on 09.04.2021 to review the implementation of Action Plan for Implementation of Quality Improvement Strategy of master program Management of Real Estate and Infrastructure (MA) and tasked Mr. Gent Sejdiu to serve from now on as a minute taker.

The Program Industrial Board reviewed the Strategic Goal 2.2 of Action Plan with the activity to Create a Pool of Experts from construction industry and from real estate companies who will serve in Interdisciplinary Activity Evaluation Panels and concluded that the deadline for coming up with the minimum of 8 industry representatives to serve in Evaluation Panel was 15.03.2021 as a performance metric. The Action Plan can be found in http://www.eukos.org/repository/docs/Action_Plan_for_Improvement_Strategy.pdf

The Program Industrial Board of master program also surveyed Mr. Arben Asllani (Intercapital) to ask for his opinion regarding his nominations for pool of experts to serve in Evaluation Panel of Interdisciplinary Activity.

Mr. Gent Sejdiu nominated himself and Mr. Qemajl Pozhegu from Pozhegu Brothers construction company, whereas the surveyed member of real estate industry Mr. Arben Asllani nominated himself and representatives of three companies that can serve in Evaluation Panel such as Durguti Invest with Enver Durguti, BP HOME Investment (Mentor Pllana), and Art Construction (Faton Sinani).

The Program Industrial Board also reviewed strategic goal 10.3 that is Increase of involvement of industry experts in evaluation of student work and as guest speakers and concluded that the same above mentioned construction industry representatives can serve also as guest speakers in the masters program especially in the Summer Semester 2020-2021 and Winter Semester of 2021-2022.

The Program Industrial Board concluded that since 15 courses are to be held in total in the Winter Semester of 2021-2022 and performance metric is one guest speaker for two courses, the number of six above mentioned guest speakers shall suffice.
