

KOLEGJI ESLG

---

### **Transcript of the Industrial Board**

*Present: Arben Asllani (Intercapital Real Estate Company), Shkëlzen Morina (Chairperson of Supervisory Board of Licensing of Real Estate Appraisers)*

The **meeting** was opened by the Head of Industrial Board who proposed **the following agenda:**

#### **AGENDA**

1. Approval of the quorum
2. Approval of the agenda
3. Organizational issues
4. Miscellaneous

The Industrial Board tasked Mr. Shkëlzen Morina to serve from now on as a minute taker.

Mr. Shkëlzen Morina reviewed reports of passage of licensing exam for real estate appraisers at the Ministry of Finance and as a member of Industrial Board and at the same time Chairperson of Supervisory Board of Licensing of Real Estate Appraisers concluded that ESLG students of both bachelor and master program achieved a tremendous success in passing the entry exam to the Licensing Modules and also in passing the Licensing Exam.

This is achieved to great real estate appraisal skills that students get during the studies but also because the Valuation Methodologies Module at the modules organized by the Ministry of Finance are delivered by professor Visar Hoxha, who is the most renowned expert in the field of real estate appraisal in Kosovo.

Mr. Morina acknowledged that College ESLG and its experience in real estate management academic education can significantly contribute to the continuing education of real estate appraisers through the representation of Professor Hoxha as a Vice President of the Kosovo Real Estate Appraisers' Association.

Mr. Arben Asllani proposed that Professor Hoxha should organize an executive training on valuation of specialized properties and sustainability issues. The date for such a training or symposium was suggested February 2019.

Mr. Morina finally concluded that the Industrial Board should be extended with female members who are renowned in their discipline of work related to property rights, in order to strike a gender balance among the Industrial Board. Mr. Morina suggested that at least one member should represent the civil society.
